## Customer Profile

ONE Light engages in the export of a range of LED lighting products, ensuring immediate delivery in international markets. This capability is enabled by the fact that 99% of all catalogue items are in stock and ready for delivery from the company's new 5000 m2 warehouse. The fast delivery service promises shipment within 24 hours from order confirmation, while the exports staff guarantee the best freight rate orders. ONE Light offers competitive worldwide sea and air freight services. The fresh and eye catching new packaging is designed to clearly display the information and the product. The ranges are color coded for easy identification and shelf stand-out.
