- Share information across the organization with report scheduling and distribution.
- Connect to external source systems and automate data validation and processing.

Why SAP

- Leading solution provider.
- Strong local presence.
- Solution scalability.

The Company

Top Benefits Achieved

74%

Faster periodic intercompany processes reconciliation.

Cassiopeia Shipmanagement Ltd. was founded in November 2013 with the aim to offer quality Ship management. With experience of almost 3 decades in the industry, focusing primarily in Crew management, we have setup Cassiopeia with the main target to offer quality crew management to our esteemed principals.

Cassiopeia Shipmanagement together with the recruitment offices maintain a number of Crew Training schemes, in order to ensure the future availability of loyal and dedicated young officers for the future.

31%

Less lead time for period-end closing procedures.

Human Resources provides the cornerstone of any successful organization. At Cassiopeia, we fully appreciate just how vitally important this criteria is and, as such, go to considerable effort to ensure proper vetting and selection of crew. Cassiopeia has a network of local recruiting offices, fully owned and joint ventured, strategically located around the world, providing a variety of crew nationality alternatives.

Cassiopeia operates in accordance with internationally recognized accounting systems and standards. Using the latest computer software and technology, we can provide regular Management and Financial reports. We can offer on separate scheme just crew payroll services, Financial Reports and statistical information that will suit Principals' specific needs. For principals who would like to have a daily overlook of the crewing activities, we can offer dedicated office space in any of our locations. For these scheme the principal may choose to have either one of the crewing schemes that we offer with the addition of an office in office arrangement.

64%

Reduction in the amount of internal financial processes.

Total Crew Management is our Business. Cassiopeia Management and employees have over 40 years of accumulated experience in Shipmanagement services with particular emphasis on crew management services. Our Cost Effective all-inclusive Crew Management scheme is aimed to provide freedom-of-mind to the Ship Owner for all Crew Operations related to the selection and deployment of the Crew.

Cassiopeia is currently handling the crew management of 73 vessels. The fleet consist of Product Tankers, Chemical Tankers, Bulk Carriers and Containers vessels. The vessels are of various flags and interests.
